The Halifax County-South Boston Public Library System is the best place to find the information you need.

Mission Statement

The mission of the Halifax County-South Boston Public Library System is to provide services, resources, and programs that will enhance the quality of life for all members of our community and to do so in an efficient manner.

Vision Statement

The Library Board of Trustees and the library's staff work towards and envision a future in which our community's residents make frequent use of the library's services, resources, and programs in order to enrich their lives, and where the library is an integral, central, focal point within and for our entire community.
